

MAYFAIR SUMMER SCHEDULE 2011

A COUPLE OF THINGS TO REMEMBER:

- * Starting next week, June 5th, we switch to Mayfair Summer Time and go from 7 – 8pm each Wednesday evening. The family meal deal is also finished for the summer.
- * Though Cubbies, Sparks and Mountaineers have ended for this school year, the race continues with age appropriate programs for the whole family.

INFANTS AND TODDLERS meet in the Infant Nursery (room #1) for combined childcare.

“STARTING BLOCKS”

Ages 3-5 meet in the Beginner Classroom (room #3) for special stories, songs, and fun activities.

“ON YOUR MARK”

Grades 1-3 meet in the Primary Classroom (the Sparks room #5) and will be checking in on some of their favorite Bible characters for lessons on how to get life started right.

“GET SET & GROW”

Grades 4-6 will meet in the Pre-Teen Classroom (the Mountaineer room #9). They will be taking an up close look at some of God’s Special Creation & how each one of them can impact their young lives. Bring your Bibles for a great night of discovery!

“OFF & RUNNING”

Grades 7-12 will spend time in the Teen Rooms (Boys together, & Girls together) as they put into practice the application of topical studies with their leaders. Check with Pastor Robert for details.

“CRUISIN ON HOME”

All the adults meet in the fireside room for a time of Bible Exploration and prayer. Occasional visits from missionaries will dot the summer landscape, so don’t miss these special times of summer connection with each other and God.

“M & M PRAYER TIME”

Don’t forget that you are welcome to stop in the Library any Wednesday from 7 – 8pm and join a group in focused prayer for Mayfair supported missionaries and ministries.

VACATION BIBLE SCHOOL

August 1-5

Gold Rush – “Discovering the Rock of Ages” 6pm – 8:25 each evening

LOOKING AHEAD TO THE FALL:

Fall programs will resume on September 7th

Wednesday Night Ministry Team Leaders

Thanks for volunteering to serve the Lord in this important ministry to children. For your information I have included a list of workers for each area to help you as you coordinate your time each evening.

Please be aware that you need to reserve time in the Gym, Kitchen or Pavilion on any given evening so as to prevent double scheduling. If you desire to use any of them, please contact the office for availability.

Remember the summer schedule runs from June 5 through August 31, with August 3rd being VBS so your group will not meet. If you find you need a week away, please let me know ASAP so a sub can be found with plenty of time to prepare.

As always, please feel free to touch base with me anytime you have questions or issues. Thanks again for serving in this practical way.
