

Messiah in the passover

**Experience the
Significance of
the Passover and
Communion Table**

**Messiah in the Passover
Sunday, March 24, 10:30 AM - 12:30 PM
Luncheon included**

**This special presentation and luncheon will take the place of our usual Sunday worship service. Please arrive before 10:30 AM to be seated so we can begin the service promptly.*

Join us on Sunday, March 24 at 10:30 AM to experience Passover and the Communion Table. We'll be joined by Chosen People Ministries for this visual message not only of Israel's freedom from slavery in Egypt, but of the redemption of individuals from the bondage of sin through the atoning work of Jesus.

Everyone is invited to join us for this service and luncheon, including kids in Kindergarten through 5th Grade. Nursery and Preschool childcare will be provided.

A meal is included during the service, which will take place in the gym. The meal will include soup, salad, chicken, potatoes, and dessert, along with drinks. The meal is designed to be "kosher style", but should not be considered totally kosher due to our limitations in preparing our kitchen to meet those standards. If you have questions about the meal, please contact the office.

An offering will be taken during the service. If you typically give on Sunday mornings, we will collect your gift as usual. If you'd like to give towards the costs of the meal and our guest speaker, we will collect that along with the offering. *No fee is required to participate in this service and luncheon.*

Volunteers are Needed

To make this special Passover service enjoyable and meaningful, we ask that you consider serving in preparation for or during the service. Here is a look at the different roles needed.

Tables and chairs set up

Set up tables and chairs in the gym on Friday, March 22 in the morning.

Tables decorating/set up

Decorate tables and begin setting up some of the supplies on Friday afternoon.

Seder set up

Prepare and set out the Seder elements before the service begins on Sunday.

Kitchen Coordinator

Coordinate the purchasing of food and the teams of cooks and helpers. Skills in planning and communicating with teams are important. This will take multiple days of work and communication leading up to and on the day of the event.

Lead cooks

Follow the direction of the kitchen coordinator and lead a team of kitchen helpers to prepare the food for the luncheon. Much of the cooking can be done in the days leading up to the service, but some work may have to be completed the morning of and during the service.

Kitchen helpers

Follow the directions of the lead cook. You will help prepare the food ahead of Sunday. Some will be needed the morning of and during the service.

Kitchen team during event (plating & dishes)

Follow the directions of the kitchen coordinator during the meal. While the food will be prepared ahead of time, we need a team to plate food before and during the meal since we will be serving tables to ensure we stay on time.

Drinks team

Prepare self-serve water and coffee stations and ensure each table has pitchers of water and grape juice for the service.

Servers

Serve 3-4 tables during the meal portion of the service. This will include bringing and clearing dishes to tables. Before and after the meal, you will be able to sit in the service with everyone else.

Ushers

Greet and seat people at tables to ensure they are filled in an organized way. Collect the offering during the service.

Kitchen clean up after

Help clean and put away dishes, store leftovers, and clean kitchen surfaces.

Gym tear down

Help clear trash and decorations, put away tables and chairs, and take garbage to the dumpster.

Nursery-Preschool childcare

Must be an approved Thrive Kids volunteer.
